

**NORTH CAROLINA REAL ESTATE COMMISSION  
2023-2024 REAL ESTATE POSTLICENSING COURSES**

On April 15, 2020, the Commission voted to approve emergency rule 58G .0106, which extends the moratorium on in-person courses through the end of June. Courses may continue to be delivered via synchronous distance learning during this period - CE courses through June 10, and Pre & Postlicensing courses through June 30. To view the rule, go to the posted on the Commission's homepage <https://www.ncrec.gov>

The CE Course Schedule is being updated daily as course sponsors notify us of changes in their course schedules / offerings. To search for Pre and Post courses being delivered via synchronous online learning, scroll to city name "ONLINE." You may also contact sponsors directly to determine what courses are available.

If you are a broker on provisional status, you must complete the three thirty-hour postlicensing courses in order to remain licensed on active status: at least one postlicensing course must be completed no later than the first anniversary of the date your license was issued, a second postlicensing course must be completed no later than your second license anniversary date, and a third course must be completed not later than your third anniversary date. If you do not complete any course by the deadline, your license will be moved to "inactive" status.

For each of the three postlicensing courses, you must meet the 90% minimum attendance requirement and pass the end-of-course examination in order to earn credit for the course.

Please remember to **bring your pocket card with you** to all postlicensing courses. Your pocket card should have a "06/30/2024" expiration date and also should indicate your "PB" license status, which authorizes you to enroll in any of the three postlicensing courses.

Available courses which have been reported by Commission-approved schools are listed in chronological order according to city by course date. (If you have any specific questions, please call the school directly.)

**To view complete information for POSTLICENSING SCHOOLS, including contact person and website** [Click here](#)

**COURSE CODES USED IN SCHEDULE:**
